To be Sold by Mail Auction

to the Highest Bidder Without Reserve

Tuesday, June 22, 1926, by

M. H. BOLENDER,

Orangeville, Illinois

To Collectors: Please forward your bids promptly as there is little time left before the sale. First bids received also have the preference in case of a tie. There is a little of everything in this sale, especially some nice old dollars.

My classifications and descriptions are based on knowledge gained through 15 years of earnest dealing in coins. I have endeavored to refrain from over-rating the quality of a lot, which is so common. I believe that the word "RARE" should not be over-worked.

Please remember my strong guarantee. If goods are not satisfactory (you are to be the judge), you are at liberty to return them without any danger of offending.

No commission charged for faithfully executing your bids.

New bidders should send references or a deposit of at least 25 per cent of bids.

Coins will be bought as much below your bids as possible as this is competitive bidding carried out in good faith.

If you do not know how much to bid on any item, write me and I shall be glad to inform you as to value.

Many Letters are Received Similar to This:

Send them in to be sold in my next sale and invest the proceeds in something you want. That is the way several prominent collectors are improving their collection with joy.
